## President's Message

*By Steve Eversmeyer, President, HC 1170*

Amazing! If you missed the banquet you'll be amazed at all WE have accomplished this past year. Look at the other articles for awards and new member information.

June 1 is the official start of the new council. I'm looking forward to the coming year and working with everyone to ensure ski patrolling is fun (SPIF). Nunnally Johnson was recognized for 50 years of service, Buzz Bowman for 65. I hope we all do as well as they have in participating in something they love. To the newest apprentices; associate, hill, host and Nordic, welcome! If you want to know how Nunnally and Buzz have hit those milestones, ask them. I'll bet part of the answer is the time really does fly when you're having fun.

Interested in helping on a committee? Happy to flip burgers at a chair evac? Looking for something totally different from your day job? Let us know and we'll see if we have a way to put your talents and interests to good use. Maybe you like to teach but aren't sure about the materials. MHSP and National have a pretty good system in place so you can become a quality instructor. I've found I really learn more by helping to teach others. A fringe benefit is a lot of what I've learned and done teaching with MHSP has benefited me at work.

Please take a look at the calendar, make a note of those key dates we've already set (OEC refreshers, host orientation, ski swap).

Let us know how we are doing, both good and where you'd like to see changes.

If you want to catch me, email works but I don't check it until the evening. If it's urgent call my cell at 503-317-9925 and leave me a message if I don't answer.

I'll return calls as late as 9 PM. If you're willing to wait until after 7 PM I'm usually available by then.

Thank you all in advance, I know it's going to be another great year!

---

# AWARDS

---

## MHSP Annual Awards

Winner's names are in bold.

### **Rod Morrison Outstanding Apprentice Hill Patroller, 2010**

**Sara Lanci**  
Kristian Adair  
Max Maduro  
Britt Bachtel-Browning

### **Rod Morrison Outstanding Apprentice Hill Patroller, 2011**

**Julie Cech**  
Steve Johnson  
Geir Eide  
Betsy Platt

### **Barney Macnab Patroller of the Year**

**Glen Owen**  
Doug Stanton  
John Roshell

### **Jerry Edgar Hill Captain of the Year**

**Andrew Degner**  
Roger Meier

### **Outstanding Associate Apprentice, 2010**

**Mark Ripkey**  
Phaedra Booth

### **Outstanding Associate Apprentice, 2011**

**Lehua Kay**  
Rachel Elkon

### **Irv Huppin Associate Patroller of the Year**

**Dave Nead**  
Kim Remsing

### **Associate Supervisor of the Year**

**Eric Granning**  
Reba Sharp

### **Outstanding Nordic Patroller**

**Brett McLane**

### **Outstanding Mountain Host Apprentice**

**Marilyn Hanson**

### **Mountain Host of the Year**

**Jack "Big Air" Barry**

### **Host Supervisor of the Year**

**Mike Cullen**

### **George Anderson First Aid Excellence**

**Brian Barker and Ben Weaver**  
Glen Owen  
Jeff Hepler

### **Ralph Wiese First Aid Instructor of the Year**

**Jim Stempel and Mary Stempel**  
Larry Cahill  
Corinna Kupelwieser

### **Outstanding Alpine Coach**

**John Malowney**

### **Dave Hitchcock Avalanche Service**

**Justin Zucconi**

### **John Keyes Meritorious Service**

**Bob Smith**

## NSP Length of Service Awards

## The Mt. Hood SnoSport Swap

It is spring! And you know what that means. Time to get ready for the Swap! So take a moment from mowing your lawn to write down these important dates - **October 7, 8 and 9.**

Just to recap last year:

- Our goal was to clear \$10,000 by 2013.
- In 2010 we brought \$14,000 to the Patrol's coffers - a 100% growth from the year before!
- The attendance was over 1,800.
- 404 volunteers from the MHSP and the West Linn High School Snowboard Team worked the event.

Your beloved swap committee is already meeting and planning next year's event. We will be looking to you again this year for your incredible support that has made our incredible swap an incredible success. Did we mention we are incredibly grateful for your incredible support? You guys rock! Incredibly!

## **We Need Supervisors!**

This spring we are starting our recruiting early for Supervisors. This is a general call out for all areas. If you have the ability to manage a staff, recognize and address issues, anomalies and exceptions, coordinate with and report to directors, **WE WANT YOU!** If you have any special skills in accounting, IT, marketing, HR, sales or security, they are a plus, but not required. Please let us know if you worked the swap in a supervisory position before. Your commitment will be for one shift (unless you want to work more !!?!).

**Please send an email indicating your abilities and willingness to help to Pat Stevens, Swap HR Director, at [pat@sdeltd.com](mailto:pat@sdeltd.com).** If you have already told Pat that you are helping this year, send her an email and reminder her (her memory isn't what it used to be). You will also need to dispatch. The dispatch will be up and running in June. We will send out an announcement when it is ready.

Many, many thanks for your continued commitment! Here's to another great Swap!

Stewart Carter and Joel Stevens  
Grand Poobahs of the Swap

## **New Executive Council Takes Office June 1**

**President:** Steve Eversmeyer  
**Vice President:** Jim Trett  
**Patrol Chief:** Dave Atkinson  
**First Aid Chief:** Cleo Howell  
**Associate Director:** Kathy Lee  
**Nordic Director:** Brett McLane  
**Secretary:** Rick Williams  
**Treasurer:** Gina Malamphy  
**Host Director:** Bill Johnson  
**Senior Trustee:** Mark Diamond  
**Middle Trustee:** Joel Stevens  
**Junior Trustee:** James Schuler

---

## **News from Wy' east Region**

*By Jim Trett, Region Director, AS 90244*

First of all I would like to take just a moment to thank you for giving me the opportunity to serve as your Vice President for the coming year. I am looking forward to working with the members of the various committees that do so much to make the Mt. Hood Ski Patrol the success it is.

Even before this ski season is over, committees are meeting to plan programs that support us in our mission to the areas and winter sports enthusiast we serve for next year. The Snow Sports Swap committee is going into high gear now to make sure that this fall's swap is as successful as last years. The members of other committees are also selecting dates for events.

Congratulations to all of the recipients of awards given out at our annual banquet held on May 21st at Timberline. As I listened to the reason people were nominated, whether they were a runner up or the

award recipient, I was once again reminded of all of the great people in this group who make a difference everyday both on and off the mountain. I think Buzz summed it up well at the banquet Saturday night when he said, "As I listened to the stories tonight I realize that joining MHSP was the best things I have done in my life." I totally agree.

Finally, to all the new members of the patrol, welcome aboard. I encourage you to find ways besides doing patrol days on the hill to become involved in this great organization. Whether it's planning an event, teaching, or helping keep equipment in good repair, you can become involved. I truly believe the more you give to this organization the more you will receive from it. Remember SPIF is alive and well.

Have a good summer.

---

## SKI PATROL OPERATIONS

---

### Timberline Summer Hours Start June 6

Lift operations include the Mile and Palmer only from 7:00 am-1:30 pm for skier traffic. Otto Lang terrain park and half-pipe will open at 10:00 am and close at 3:00 pm.

---

### Patrol Chief

*By David Atkinson, Patrol Chief, HC 1239*

First of all, I want to thank Jeffrey Weitz for all the outstanding work that he did as our patrol chief for the last two years. As your incoming patrol chief, I want to continue the foundation that has been laid by the past council and continue to make the Mt. Hood Ski Patrol the best in the country!

#### Summer Dispatch

Summer dispatch is upon us for Timberline. Timberline wants and needs our help this summer. They get swamped with ski and snowboard camps and having us there to augment them, does make a difference! Although they are not requiring us to patrol, they do welcome us to be up there all summer. There will be 4 open slots for hill patrollers and 2 open slots for associates. So sign up for your days to have fun on the Palmer Glacier this summer. Remember that summer days will count toward your total commitment this season.

Mountain bike patrol will be starting up at Skibowl as soon as the snow melts. Yes, bike patrol days count as service days toward your minimum commitment.. And Skibowl Mountain Pass holders agreed to a minimum of 2 summer patrol days when they signed up for their passes. Specific details on dates and times will be forthcoming.

### Training and Clinics

#### Nuts and Bolts Clinic 2011

Mt. Hood is very honored to host the annual Pacific Northwest Division's Nuts and Bolts Clinic again this year at Timberline on June 3-5. There are many different opportunities to tune up your toboggan skills and to re-certify yourself as an instructor, toboggan handler and coach at this year's clinics. Special enhancement seminars will be offered in skiing, telemark and snowboarding taught by PSIA instructors who are famed to be the best in the west!

And of course for the women we will be offering a two-day clinic taught by ladies especially designed by ladies with the best instructors in the division leading the skills and training.

All clinics are open to NSP members! So plan to attend one or all of the clinics this year as it proves to be the best Nuts and Bolts one yet.

### **Summer Hill Apprentice Training**

Summer hill apprentice training will be happening at Timberline over the summer. Contact Toby Wiley for times and dates.

Let's keep the momentum of the past ski season going through the summer. I know that sometimes it seems like a long season with summer operations, but Timberline truly appreciates our efforts in helping them this summer.

Look for all the exciting training activities that will be starting in the fall. Enjoy your spring and summer activities and stay in shape! As Buzz says, "Ski patrolling is fun!"

---

## **Associate Director**

*By Kathy Lee, Associate Director, SS 90232*

I'd like to extend my sincere thanks to all the outgoing Council members for their dedication and many hours of hard work. James Schuler has done an excellent job as the Associate Director these past two years and I have some pretty big shoes to fill. And a hearty thank you to Kimberly Remsing for a job well-done as the Associate Training Director. David Nead has stepped up to carry the training torch for Associate Apprentices.

I look forward to serving as your Associate Director and working with all of you in the coming season. Please feel free to contact me if you have questions, concerns or suggestions for improvement.

Have a great summer!

---

## **Nordic Patrol Wants You**

*By Brett McLane, Nordic Director, HP/NP 1603*

Looking to sleep in a little bit and still get credit for a patrol day? Hate having to deal with all those pesky crowds on the slopes? Running out of space to store all those unused chits? Looking to get super fit and expand your skiing skill set? Then join NORDIC PATROL!

That's right folks, we need more Nordic patrollers for all those backcountry trails, lost skiers outside resort boundaries, and even those super fast, super fun groomed tracks over at Teacup. The folks at National have begun to realize that there are very real differences between "Nordic" patrollers and "Nordic/backcountry" patrollers and they've begun emphasize the distinctive roles of each. Clackamas County Sheriff's Office loves having us as first responders in Search and Rescue call outs. The Board at Teacup Lake Nordic Club has told us that they would really, really, really love to have MHSP patrollers out on their groomed trails every Saturday and Sunday this winter.

So, what's involved in Nordic patrolling? Well, we've got something for everyone.

## **Nordic/Backcountry Patrolling:**

Show up to Govy sometime before 10:00am, get radios for yourself and your patrol partner, do a quick beacon check and head out to any of the many great trails on the mountain. Yellow Jacket? Trillium Lake? Barlow? Bennett Pass? Tilly Jane? White River? Glade? The options are limitless.

While you probably won't stumble across many medical cases (but hey, you never know when some tourist on a sled will crash into a tree), you will get to interact with those friendly folks out on touring skis who will want to ask you all sorts of questions about what those furry things on your skis are (skins); or why some people use leather ski boots and others use plastic ones; or which trails are the best; or maybe who serves the best lunch/dinner/beer in Govy? Sounds like fun, doesn't it? It is!

Now, it's not all fun and games. Every now and then you'll get a call on your cell phone (or on the state SAR frequency) from the Clackamas County or Hood River County Sheriff's Office asking you to head up to a certain Sno-Park to help look for a late/missing skier/boarder/snowshoer... but that's no problem because you'll have taken the MHSP one-day Nordic refresher course in map/compass, GPS, knots, and low angle rope rescue. You'll also, at some point, take Mountain Travel and Rescue which will make you an expert with that map, compass, and GPS that you've got banging around in the top pocket of your backpack. Basically, you'll be like MacGyver but without the mullet.

## **Nordic/Inbounds Patrolling:**

Skinny skis? Tight clothing? Heavy Breathing? All of this and more can be yours when you sign up for a patrol day at Teacup Lake Nordic Club. Miles and miles (or kilometers if you want to be really Euro) of beautiful groomed skate skiing or classic skiing all just a few seconds down the road from the Meadows parking lot. Teacup would love to have some OEC trained patrollers spending the day checking out their trails and chatting with the public. And besides, those downhill skis of yours are a bit heavy. Wouldn't it be great to throw on a nice lightweight set of skis and some comfortable boots for once?

Interested in becoming a dual patroller? Nordic is actively looking for patrollers of all abilities to come join our ranks. We'll be happy to help you with equipment selection and Nordic technique if you're interested. Contact [brett.mclane@gmail.com](mailto:brett.mclane@gmail.com) for more information.

---

# **FIRST AID**

---

## **Road Rash Time**

*By Cleo Howell, First Aid Chief, AS 1444*

It is just about time to start seeing cases involving serious abrasions from falling off a bicycle, kids falling on a gravel surface or anyone allowing an arm or leg to touch the fiberglass side of the Alpine Slide at Skibowl.

### **Treatment of abrasions-**

Control any bleeding associated with the abrasion by using direct pressure. Abrasions typically do not bleed very much, but they can be extremely painful, due to all the nerve endings close to the skin surface.

Gently clean the wound with mild soap and water, plain tap water or an antimicrobial, antiseptic skin cleanser, such as Hibiclens. Remove any visible debris, such as dirt, rocks or pieces of fiberglass.

Irrigate the wound with tap water. Partially fill a sandwich Ziploc bag with water, puncture or cut one corner and squeeze the bag to irrigate the wound. Cover the wound with a non-adhere dressing and secure with roller gauze or cravat.

Advise the patient to clean the wound frequently and change the dressings. If the abrasion is severe the patient may have to see a doctor for further treatment.

---

## A Message from NSP Education Director Darcy Hanley

The long wait is over! Outdoor Emergency Care Fifth Edition is on the trucks and being delivered to your doorstep! Thanks to Brady for assisting with the rollout and answering your purchasing questions. The Refresher Study Guide will be mailed with the summer issue of the Ski Patrol Magazine around June 18. The Instructor Study Guide will be mailed in early June and will be available online as well. New this year is the Orientation Exercise. It is a refresher requirement consisting of 31 questions which must be answered and submitted at your local refresher. The Orientation Exercise is found under Education Tools on the NSP website. Please download your copy!

E-Pointers (Educational Pointers) is the electronic version of Pointers for all instructors. The first edition is available under Instructor Resources on the NSP site. E-Pointers will be available every quarter.

OEC instructor materials will be available June 15. You will be provided an access code to obtain the materials from MyNSPKit. The access code will be located under the Instructor Resources tab on the NSP site on June 15. These materials are available at no cost and can be downloaded.

---

## OEC Refresher Dates

All patrollers, including the recent OEC graduates must attend one of the fall refreshers.

- September 24, Saturday
- October 16, Sunday
- November 5, Saturday

## OEC 5th Edition is Now Available

The Outdoor Emergency Care 5th edition textbook is now available. The first shipment of hard copies were delivered in May.

You are not mandated to purchase the book however the OEC Refresher for 2011 will be based on the OEC 5th edition. Each student will have to complete a written assignment, based on the 5th edition, prior to attending the Fall OEC Refresher.

I highly recommend that you purchase the OEC 5th edition as soon as possible. The MHSP will not purchase OEC 5th Edition textbooks for members.

You can purchase the textbook by going to Members Services on the NSP website <http://www.nsp.org/>. Follow the instructions for ordering the 5th Edition. Make sure that you enter the code NSPM just above your credit card information to get the discount. The cost of the book is \$65.60 plus sales tax, if applicable. There is no shipping charge.

An electronic version of the textbook will also be available.

---

## Another Outdoor Emergency Care Class Graduates

Congratulations to the graduates of the 2011 OEC class.

# MOUNTAIN HOST OPERATIONS

---

## From the Director

*By Bill Johnson, Mountain Host Director, HS 60001*

The 2010-2011 season was excellent and the hosts turned in solid and outstanding contributions.

- 133 active hosts
  - 100 met or exceeded the 11 shift requirement
  - 34 Hosts completed 20+ shifts
  - 13 new participants at this level
  - 21 repeats
- 26 host supervisors

- 2057 shifts (Timberline/Skibowl)
- 8228 hours (Timberline/Skibowl)
- 1500 vouchers generated (Timberline)
- 1055 redeemed vouchers (Timberline)
- 18 new applicants for September interviews

The following awards were presented at the host EOS function:

- MHHP Host of the Year - Jack "Big Air" Barry
- MHHP Apprentice of the Year - Marilyn Hanson
- MHHP Host Supervisor of the Year - Mike Cullen
- MHSP Certificate of Appreciation - Doug Fischer

The new MHHP members - TJ Bennison, Sam Goesch, Jess Hickerson, Kirsten Kays, Michelle Quale, Patrick Ehlers, Eric Gossman, Judy Bice, David Rolph, Dave Webber, Sue Bishop, Marilyn Hanson, Ted Zurcher, Shawn Haddock, Marlene Dietrich, and Richard Dietrich.

Action Items:

- Submit the annual High Gear host jacket and vest order
- Evaluate host supervisor participation
- Identify additional supervisor candidates- Review host participation below the 11 shift minimum
- Evaluate and review the size of our program and membership level
- Develop the Skibowl summer program and build for winter participation
- Remain engaged with Timberline during the summer in order to identify opportunities
- Develop a car pool program utilizing Hillcrest Sports as a staging point

If there are any questions or comments, please contact me at 503-349-6505.

Have a great and safe summer !!!

---

## EQUIPMENT

---

### **The Red Coats are Coming....**

*By John Gastineau, HC 1393*

Several of our newest members have asked me about getting a temporary jacket for use patrolling at Timberline this summer, since one of the group jacket orders won't be completed until later in the summer.

Do you have a jacket you could loan for a month or so? It should be red with patches, but it need not be terribly waterproof or otherwise in good shape--it really doesn't matter for summer patrol.

On the same thought, we've got a transition coming up in a couple of years where blue associate uniforms will no longer be acceptable. A few associate patrollers have indicated that they'd like to find a good used red uniform, possibly at very low cost. If you would like to make your jacket available for a fleet of loaner jackets that might not come back to you, please indicate that as well.

If you do have such a jacket, please email me with this information:

- red patrol jacket size ( S M L XL XXL); men's, women's, or unisex cut

- would you be willing to loan your jacket for the summer to a new patroller, and get it back at the end of the summer? (yes/no)
- would you be willing to contribute the jacket to a fleet of loaner jackets, and not get it back? (yes/no)
- your contact info: (name, phone, email)

---

## Red Jacket Suppliers

Patrollers are free to purchase their all-red jackets from any source. MHSP does not officially endorse any supplier. However, the [wiki](#) contains documents describing jackets and purchase plans available to patrollers. Use your dispatch login and password to access the wiki. Click the Where To Shop link under the Gear section. Not all suppliers are listed in the wiki.

---

# OTHER NEWS

---

## Hank Lewis, MHSP #22

Hank Lewis, the first ski patroller on Mt. Hood, and founding member of MHSP passed away on May 21, 2011. In his 98 years Hank received National Ski Patrol Appointment #78, was part of Portland Mountain Rescue and served with the US Army 10<sup>th</sup> Mountain Division.

### Memorial

A wake will be held on Tuesday, June 14, 2011 from 5PM to 8PM at Stockpot Broiler, 8200 SW Scholls Ferry Road, Beaverton, OR. RSVP to Marsha Hubel ([mmhubel\(at\)yahoo.com](mailto:mmhubel@yahoo.com)). Questions to Bob Smith, 503-656-9654 home, 503-351-8867 mobile.

For those wishing to make a financial donation to honor Hank, please make a tax deductible gift to the Mount Hood Ski Patrol. There will be a table for that purpose or you can mail it to MSHP, PO Box 4384, Portland, OR 97208

MHSP, red coats are appropriate at the wake.

### In the News

## Meet More MHSP Alumni

By Jodie Jeffers, Wy'east Region Awards Coordinator, AS 90526

I encourage more people to go to the alumni luncheons!! I have been fortunate to not only meet Hank there as well as both Petrie brothers and others. I haven't gone enough but plan on going more for sure. Amazing history from amazing patrollers!!

*Editors' note: The alumni meet at 1:00 for lunch on the last Tuesday of January, April, July and October at the East Moreland Golf Club. See the MHSP calendar for more details.*

---

## Snojob Deadline is the Third Monday of the Month

Lisa Hargrave, Snojob Editor, HC 1053 and Barb Korsmo, Copy Editor, Alumni AP 90260

The deadline for Snojob articles and photos is the third Monday of each month (7 days after the general meeting). Send your submissions to [snojobeditor@gmail.com](mailto:snojobeditor@gmail.com).

**Articles:** Please submit as the body of your email rather than an attached document. If you have a long article covering several topics please break it into several articles covering one topic each.

**Photos:** Send as an attachment in JPG format. Be sure to identify who took the picture, where it is and who is in it.

---
