The election for Executive Council was concluded at the April General Meeting.

We had 55% voter turnout!. 54% of Patrollers and 57% of hosts voting which meets all quorum requirements.

The bylaws required that the winning candidate achieve at least 51% of votes cast for the office. This requirement was met in all cases, so there will be no runoffs.

## MOUNTAIN HOST OPERATIONS

### Information

Sam Smith

### HOSTS SUMMER SEASON

The Skibowl summer season will begin as early as possible following the ending of their winter season. Once they have a solid start date, we will be sending out plenty of detailed information. Shifts worked during the summer count toward your commitment for the 2017-18 season.

### NEW RECRUITS

If you know someone who is interested in joining next season, please let Mike Cullen know. He is currently tracking interested folks. The interview/tryout period is usually in September and October. Training begins in November.

### RACE SUPPORT

There will be a number of race support events during the months ahead. Your participation in these events earns shift credit and fulfills your requirement to participate in at least one of the patrol training or fund raising events.

# FUNDRAISING

## 2018 Bike Race Support

Mike Anderson

The Council has approved our partnership once again with Terrapin Events to provide race support for 7 races in 2018. We have not yet heard from the other groups we provide support for, but will let you know as soon as we do what other races will be involved.

It's important to remember that if you are a member of a team at Timberline, Meadows or Ski Bowl you must complete your team obligations and also provide 1-2 days during the summer at Timberline or Ski Bowl. All patrollers are expected to get 8 days active duty on Mt. Hood in addition to all of the required training. That being said, here is the Terrapin schedule for 2018.

- **Cinco de Mayo:** Sunday May 6.  
1,800 runners expected. Meet at 7am at Fields Park in NW Portland. I will notify you of the exact location prior to the race.
- **The Grateful Dad Run:** Saturday June 16.  
900 runners expected. Meet at 7:30 at Kleiver Armory on NE 33rd just south of Marine Drive.
- **Rose City Relay:** Saturday June 30.  
This is a new race that they tried to put on last year (but cancelled), it will start at Chimney Park. It's a 67 mile relay around the city. We will not ride the entire route but will have a couple of stations to work from with zones to cover. There will be multiple start times as this is a 12-hour race day, and we will break it into shifts.

More details coming. They are expecting at least 100 teams of 6 to participate. I will be meeting with Terrapin to talk about the details soon.

- **Sunset on the Springwater:** Saturday August 4.  
900 runners expected. This is the only evening run of the series. We will meet at 4pm at Sellwood Riverfront Park.
- **Country Girl Half Marathon:** Saturday September 22.  
900 runners expected. Meet at 7:30am at Kleiver Armory on NE 33rd just south of Marine Drive.
- **Run Like Hell Half Marathon:** Sunday October 21.  
This is also a very large race with over 3,500 runners in downtown Portland with the runners running in costume. This is a very fun event. We meet at 7am in Waterfront Park near Oak Street.

Please sign up for these events as soon as you know your schedule. They will fill up fast. We really need the first event, Bridge to Brews, to get signups going. We may have some assistance from the Intel Emergency Response Team who would like to know how to work at this type of events as well.

You can find more information at [www.terrapinevents.com](http://www.terrapinevents.com).

# NORDIC

**News**  
Jeff Hepler

On March 31, 2018 the Nordic team convened at Teacup for a pot-luck and moonlight ski and to celebrate the end of the season. Big thanks to Karen Larsen and Mark Merkens for coordinating this wonderful evening. Another thank you goes out to the President of Teacup Lake Nordic Ski Area, Paul Blackburn, who joined us bringing refreshments and banjo. Earlier in the day the patrol responded to a skier 1.5 kilometers from base with a significant shoulder injury. The patient's treatment and evacuation to a waiting ambulance was performed seamlessly. This day - and

the entire patrol season has been filled with good times and great service to the skiing public at Teacup. Next season looks very promising with Steve Potter leading the team as Nordic Director. His mountain experience and work ethic are second to none and the team will be in very good hands.

I wish to thank all of our patrollers for contributing to a highly successful season. Keep up the great work and see you on the hill next year!
