

# Mt. Hood Ski Patrol **Snojob**

June 2016

---

## MESSAGE FROM THE PRESIDENT

---

### Congratulations to our Award Winners

*By Jaye Miller Carlson, President, HP AP #1437*

Congratulations to all our award winners. Your contribution this year sets high goals for all of us. You can find the entire list in this issue.

Unlike other patrols, we are a year round organization. Summer offers new experiences with bike patrol, road rash and the camps. These summer events offer us a new variety of injuries.

The OEC refreshers are only three months away!! Prepare now for your online training and test. Each member will need to bring their certificate of completion to the OEC refresher. It's your golden ticket to get into the refresher.

Enjoy your summer patrol days. It's a good time to bring the family and share the mountain.

---

## ADMINISTRATION

---

### MHSP Executive Council for 2016 - 2017

President - Jaye Miller Carlson  
Vice President - Cleo Howell  
Secretary - Gayle Maize Hall  
Treasurer - Kevin Havre  
Patrol Chief - Carl Gatzke  
First Aid Chief - Cliff Leighton

Associate Director - Stephen Giesey  
Nordic Director - Jeff Hepler  
Mountain Host Director - Mike Cullen  
Senior Trustee - Scott Collier  
Middle Trustee - Lisa Wilberding Hargrave  
Junior Trustee - Matt Rea

---

## PATROLLER OPERATIONS

---

### Skibowl Operations

*By Matt Harms, APC Skibowl, HC 1641*

Summer operations at Skibowl are upon us and this is a great time to review some of the operational differences during a summer patrol shift. For most of you this will be review, but for some this may be the first time hearing this.

- Arrival time is 10 Am. Note, this is the time of opening. There are no opening assignments, so no need to arrive early.
- Upon arrival, report to the West Side First Aid to meet other patrollers dispatched for the day.
- Radios: Erich will provide all radios for our use from the paid staff supply.

- If Erich is not in the WSFA you can go into guest services to have him radioed. Also you may call his cell phone at (503) 936-5775. (Yes, he told me you can call him.)
- Benefits: For the day dispatched, you will receive a bike pass if you are riding. Also you will receive either 2 adventure passes or 1 action pass. Refer to the website for descriptions of these.
- You are not required to ride a bike. You have the flexibility to take advantage that Skibowl has to offer.
- Flexibility: there are no “assignments” or any one person running dispatch. Summer ops are much more fluid. However it still takes teamwork within the patrollers to make sure there is adequate coverage especially in the west side base area.
- 1050’s: Summer time at ski bowl is a great time to get some hands experience with first-aid. Paperwork remains the same, however you may find that the minor log book will be used more often. Especially for the abundance of track-rash.
- Uniforms: Patrol t-shirt/sweatshirt will suffice, with respectable shorts/pants. If you are out and about you will still need to carry first-aid supplies, and your radio.

Dispatch is all set for the summer, so grab your bike, hiking shoes, Frisbees, huckleberry jars and your family and friends and head up the hill for some great summer patrolling.

If you have questions, comments or concerns feel free to contact me directly.

## Timberline

*John Howard, APC Timberline, AS 9022*

Summer season is about to begin at Timberline. Currently, hours of operation are 8:00-3:00. On June 6, Timberline will start opening at 7:00 with the last chair at 2:30. Regardless of when they open, reporting time for all MHSP will remain the same; 7:30, meeting at 7:45 and out the door at 8:00.

If one of the Pros is not down from Palmer by 8:00, call dispatch on the radio and give them a head count of volunteers and ask what needs to be done.

There may or may not be a HC/AS dispatched on the day you are up there. If this is the case, the patroller with the lowest number can act as Facilitator. The key to the MHSP radio cabinet is on a hook inside the Pro radio cabinet. The voucher and guest pass forms are in the files under the MHSP radio cabinet. Fill those out and turn into Guest Services for pick up later.

Plan on spending the full day up on Palmer, unless you have a case, or are otherwise directed by the paid staff. Pack a lunch and water.

Remember your sunscreen. I use “Water Babies” brand as it doesn’t sting if it gets in your eyes. There is nothing worse than trying to come down Palmer with your eyes stinging as a result of sunscreen.

## FIRST AID

### OEC Refreshers – A NEW APPROACH

The upcoming OEC refreshers have been scheduled

#### Instructor Refreshers

September 17, South Lake Church

September 25, St. Vincent Medical Center

## Patroller Refreshers

October 2, St Vincent Medical Center

October 15, South Lake Church

October 29, South Lake Church

A change this year is that the OEC refresher will be done as a Hybrid: on-line and hands-on (skills and scenarios). There are three parts to the Hybrid Refresher. You will still be required to complete the Refresher Workbook, complete the on-line portion, and attend one of the OEC hands on refresher dates.

Your workbook should have been delivered by the US Postal Service in the last week or so. It was packaged with the NSP Magazine and Summer Catalogue. Please look at page 3 of the Refresher Workbook for the steps on the Hybrid Refresher format.

You will need access to the Members Page of the NSP website to access the on-line portion. Please go on-line as soon as possible to ensure you can log in without any issues. If you have problems or questions accessing the Members Page of NSP, please contact NSP at 303-988-1111, ext. 2637.

Also, confirm that your address is correct on your NSP member profile.

I will send out more specific information when the on-line course is available for you (mid-summer). If you have any questions, please contact me.

---

## Refresher Workbooks

If you have not received your refresher workbook, here is a way you can access it from NSP. While you're on the NSP website it will be a good time to check and update your member profile.

1. Go to the **NSP Website**: [www.nsp.org](http://www.nsp.org)
2. Click **For Members** at the top and login using your NSP number and password.
3. Click on **Member Resources** it is a picture of a patroller on the left.
4. Once in Member Resources, on the left there's a list of drop down menus, select **Education Resources**.
5. Then select **OEC Resources**.
6. You will then see **Refresher Workbook 2016 OEC Cycle C.pdf** Click on that link to download the workbook.

Please reply with any responses/questions directly to me: [firstaidchief@mthoodskipatrol.org](mailto:firstaidchief@mthoodskipatrol.org).
