MHSP SnoJob
June/July 2006

President's Choice - Lisa Hargrave

I get little choked up this time of year. There is so much I love about patrolling it is hard to pick a favorite part. But the annual awards banquet certainly has to be a highlight of any year.

It gives me goose bumps to see all the new members get their badges while recognizing the long heritage of the patrol. This year we issued badge #1498 and also honored #134, Buzz Bowman, for 60 years of service. Did you know that in 69 years of existence there have been less than 2100 total patrollers inducted into MHSP?

We are, each of us, part of what makes Mt. Hood Ski Patrol special. From this year's award winners to the patroller who quietly puts in their days without fanfare – MHSP would not be what it is without you.

Next season will be the 70th anniversary of the founding of MHSP. Let's keep pulling together to live up to the patrollers who came before us setting the standard for those coming after.

See you on the mountain,

Lisa Hargrave

President

MHSP/Jelly Belly Family Fun Day
Saturday, September 16th
Mt. Hood Skibowl
This is a fun-day and fundraiser for MHSP. Discount Action Park tickets, barbeque and fun!

A hunter walking through the jungle found a huge dead dinosaur with a pigmy standing beside it. Amazed, he asked: "Did you kill that?".

The pigmy said "Yes."

The hunter asked "How could a little bloke like you kill a huge beast like that?"

Said the pigmy: "I killed it with my club."

The astonished hunter asked: "How big is your club?"

The pigmy replied: "There's about 60 of us."

Membership Commitment

Gold = 20 days total, including 2 summer days.
Silver = 17 days total, including 1 summer day

Total days includes training days and days as an instructor or coach.

Ski year ends on Labor Day

The Veep from the Deep – Joel Stevens

I hope everyone had a great time at the Banquet. Kudos to Dave and Laura Hornibrook, Mac Sheldon, and the rest of the Banquet Committee. How come the old folks stay up later than the young kids?? Do we need LOUDER music?? If you have any suggestions for next year's banquet, please let me know. We are planning an in town location next year.

New Patrollers

By now, your new MHSP numbers will be entered into the *Online Dispatch Program.* This means your login will change to your new Patrol Number, but your password will not change. If you can't get in, send me an e-mail with your old and new patrol numbers, and your current e-mail address.

All Patrollers

Remember if your e-mail address in the database is correct, you may retrieve your password, with the "Lost My Password" function.

Please keep your roster information up to date, since this is the permanent record we have for you.

Note that it is possible to print out a roster from the online roster. You may either print it out directly, or use the export function to give you additional formatting choices. (it is possible to export it in a format for importing into Microsoft Outlook, so you may have the data available from both outlook or palm pilot. The MHSP plans to print a roster for general distribution in the fall.

If you haven't already done so, please sign up for your Summer Days, at either T-line, or Bike Patrol at the Bowl. It is a good excuse to get up on the Mountain in the Summer.

Your Veep in the Deep

Joel Stevens

Mt. Hood Ski Patrol remembers RL

Many patrollers carried jackets with MHSP patches as they joined family, friends and admirers for a celebration of life on warm, sunny April 27th at Temple Beth Israel in NW Portland to remember Timberline Lodge's visionary Richard Kohnstam.

RL took over the management of Timberline Lodge in 1955. Thanks to his efforts, the dilapidated and neglected lodge was restored to its original brilliance and has been designated a National Historic Landmark. It also features the finest patrol room on Mt. Hood.

A favorite saying of the patrol is, "They love us at Timberline". And MHSP loves Timberline too. All of us on Mt. Hood Ski Patrol owe Dick Kohnstamm a debt of thanks for his contributions on Mt. Hood and to MHSP in particular.

Chief Notes – Steve Eversmeyer

Timberline is moving toward summer operations. The current hours, from 8:30 to 2:30, will be changing. If you have not heard from the Hill Captain, Associate Supervisor or the Facilitator (most experienced patroller) check the snow phone the night before to ensure you are there on time. Rick Sadle has more information about summer skiing at Timberline please review it. If you need to, take it with you the first few times. If you have questions, please contact Rick or I.

Bonnie Lynch sent information about Bowl's biking program in an email. They are always very glad to have us helping there. If you'd rather not ski any more this season this is a good way to get some summer days in.

The Bowl's start is later too, which may be more to your preference. If you have questions, please contact Bonnie or I.

Regardless of where you put in your time, please come up to our mountain this summer. You'll enjoy it, the others there will enjoy your company and the areas will be grateful. If you choose the silver or gold level or covered at Meadows please put in at least your two days, more if you can. This past winter we've had the Hill Captains fax the green sheets in to the MHSP email box. This has worked well and helped keep our records current.

Please check with Rick or Bonnie to see how you can get the green sheets to the right person over the summer.

Moments from Meadows

The extended season at Meadows was well attended. MHM prepared to stay open on weekends until June 4. Skiers continued hitting rail/big air/halfpipe parks from the top of Cascade to the bottom of Vista. The big air on Gulch under the Cascade chair make the lift ride entertaining. The smaller halfpipe in Arena is great for kids and the superpipe on Easy Rider stayed in great shape. The groomers, park crew and patrol did a fantastic job keeping our playground open!

All current Meadows team members and our 4 team shadows will be asked back for next season. You have all done an outstanding job. New shadows are welcome and we need a few patrollers to fill in. Contact Jeff Ezzell to sign up for a team next season.

Jeff will be our APC next season. I look forward to helping Jeff with combined pro/volunteer training and devising a way to update ourselves.

Meadows Pro Patrol had their banquet at the Restaurant at Indian Creek Golf Course in Hood River. Paul Klein had some movie clips from his most recent project, mostly deep powder skiing in the Private Reserve. Awards were given to Gavin Cummings for Patroller of the Year, John Baine for Rookie of the Year, Matt Springer got the Case Hog award with 81 cases this season, and yours truly got Volunteer of the Year.

Thank YOU all so much for all your good work this season and a special thanks to those of you who gave me ideas and showed your support through the changes this season. You guys rock!

-Debbie Norvell Meadow's APC

Radio Rant– worth repeating (get it?) –

by Rad I. O'Rant
(MHSP #0000)

Acknowledge you heard a transmission!

Have you ever told the first aid room the patient's vitals, and had no response? Did they hear or not? Without acknowledgment, you can't tell if the signal got through.
So, when you are given information, acknowledge it with a clear "10-4" or "copy."

MHSP Roster Updated–

The online roster now reflects new patrollers numbers.

If you have a new number, you will need your new number to log in, though your password has not changed. A list of patrollers and numbers was sent to new members in a May 23 email.

Please sign up for some summer days.

MHSP Alumni Lunches

MHSP Quarterly Alumni lunches are the last Tuesday of every quarter:

Dates:July 25 & October 31,2006

January 30 & April 24, 2007

Place: Eastmorland Golf Course

Time: 1 pm.

All MHSP members are encouraged to add these dates to your calendar and join in. According to Jim, Buzz Bowman makes one now and then

- MHSP # 409

Jim Bray

Fireworks: *Keep it legal, keep it safe*

Fireworks season is around the corner, and Office of State Fire Marshal (OSFM) goals for the 2006 fireworks season include continued support of safer use of legal fireworks in legal places.

Oregon's parks and forests all prohibit fireworks. A new partnership with the Oregon Parks Department raises awareness of fireworks restrictions in state parks and public beaches. A new campaign advises visitors all fireworks are prohibited on Oregon beaches and in parks.

Another partner in the *Keep it legal, keep it safe* effort is Oregon Department of Forestry (ODF). ODF reminds citizens they may incur the cost of suppression and timber loss should they start a wildfire with fireworks.

Fireworks retailers, licensed by OSFM sell legal consumer fireworks. A successful voluntary ban of wire core sparklers by Oregon fireworks wholesalers help reduce burn and eye injuries, especially in children. These wire cores may reach temperatures up to 2000 degrees.

The OSFM's website provides education on what's legal in Oregon: www.oregon.gov/OOHS/SFM/Fireworks_2006.shtml.

Keep it legal,

Keep it safe,

Keep it fun.

JOHN KEYES MEMORIAL

We are 108 days from our "10th Annual..." this year sponsored by the Jelly Belly Candy Company, and we need your help in three specific areas:

1. AUCTION ITEMS

Gift certificates, use of vacation property, airfare miles, quality wines, event tickets, skydiving packages, etc. If each Patroller were to find / procure just one nice item... *hmm....*

2. CORPORATE TEAM SPONSORS

A very nice way for business owners / executives to reward their key employees / clients. In addition to spots for four players, each Team Sponsor will be listed in our Players' Guide, and acknowledged or linked on our MHSP Tournament website.

3. TEE SPONSORS

A great way for businesses / organizations to help MHSP and receive some great advertising! Each Team Sponsor will receive "on course" recognition and will be acknowledged in our "Players' Guide."

This truly has become an "All Patrol" event, and we thank you very much for your past, current, and future support.

The Committee

MHSP—Here's looking at YOU! Making us proud.

We're all proud to work with such outstanding people. We're pleased to recognize the accomplishments of the 2005-2006 Season. These outstanding patrollers represent us well and inspire us all.
